

# Prevent Fatalities. DOT Compliance. Employee Safety.

## Your Transportation Partner

Our agency can deliver the strategies, tools and resources that will help you manage your transportation and fleet industry risks, control workers' compensation claim costs, advance safety and boost employee morale.

## Our Tools Will Put You in the Driver's Seat!

Our agency can help you build solid loss control and safety programs to help you stay on top of your biggest risk management and compliance challenges.

### **Workplace Safety Programs**

Our transportation safety manual and employee safety resources can provide your place of business with useful injury prevention information.

### **Compliance and Recordkeeping**

Find out if you are responsible for complying with regulations from OSHA, DOT and more. Let us show you how to do so correctly.

### **Managing Risks**

We have the risk management expertise to help you plan and control resources and activities in order to cost-effectively fulfill your objectives.

### **Building a Safety Culture**

Our employee safety materials help you promote a safety-minded workplace. We have flyers, posters, payroll stuffers on such topics as hazardous material handling, defensive driving, obeying traffic controls, etc.

### **DOT/FMCSA Compliance**

We have reference materials, forms and checklists that will help you remain in compliance with DOT/FMCSA regulations.

## Stay Connected

We deliver documents on command and have OSHA recordkeeping capabilities. These tools allow you to access and share valuable resources, including employee newsletters, safety talks and awareness postings.
